SUBJECT: DM 13-359 Atlantic Group Energy, Inc. dba Atlantic Group Energy of Massachusetts's
Renewal of Registration to Provide Electric Aggregation Service

TO: Commission
Debra Howland, Executive Director

On December 26, 2013, Atlantic Group Energy, Inc. dba Atlantic Group Energy of Massachusetts's (Atlantic Group) filed an application to renew its registration as a provider of electric aggregation service. Atlantic Group's registration expired on December 29, 2013.

Staff has reviewed the information in the application and determined that the filing is complete. Staff noted that that, pursuant to Puc 2003.05(a), Atlantic Group's renewal application should have been filed at least 60 days prior to the expiration of the currently effective registration, on or before October 30, 2013. Because this is the first time Atlantic Group has been tardy with its submission to renew its registration for electric aggregation, Staff recommends the Commission approve Atlantic Group's renewal application to provide electric aggregation service, effective December 29, 2013, for a term of 5 years.
