Dear Ms. Morgan:

On January 2, 2014, Mega Energy of New Hampshire, LLC (Mega Energy) submitted an application to the Commission for registration as a competitive electric power supplier (CEPS). Commission Staff has reviewed the application and determined it is incomplete and, therefore, does not comply with the requirements of N.H. Code Admin. Rule Puc 2003. In particular, Staff identified the following requirement that has not been met and the related item which is missing from the application:

- 1) Proof of financial surety.

Puc 2003.01(d)(4) Evidence of financial surety, as defined in Puc 2003.03.

Regarding item #1, pursuant to Puc 2003.03, the security is required to have a term of at least 5 years and 150 days after the date the application was filed.

In order to complete your application you should respond accordingly to the item listed above. When responding, address your letter to Debra A. Howland, Executive Director, and reference the docket number listed on the subject line of this letter.

Pursuant to Puc 2003.04 (h), please provide all information requested within 60 days of the date of this later, on or before **March 6, 2014**. Puc 2003.04 (h) is copied below.

Puc 2003.04(h) If the commission has requested information or clarification to complete an application for registration, and such information or clarification is

not provided within 60 days of the request, the commission shall suspend the application. If, after 120 days of the date of the request, the applicant has not provided the requested information or clarification, the commission shall reject the application. If an application is rejected, the application fee shall be forfeited and the applicant shall be required to submit a new application and fee prior to acting as a CEPS in New Hampshire.
