On October 28, 2014, Ambit Northeast, LLC d/b/a Ambit Energy (Ambit), a competitive electric power supplier currently authorized to operate only in the franchise area of Public Service Company of New Hampshire, filed a request to expand its service territory to include the franchise areas of Liberty Utilities (Liberty) and Unitil Energy Systems (UES). Ambit provided copies of certificates demonstrating that it had completed electronic data interchange (EDI) testing with Liberty and UES.

Staff reviewed the information in the request and believes Ambit's filing meets the requirements to extend its service territory into the franchise area of Liberty and UES. Staff, therefore, recommends that the Commission approve Ambit's request to include the franchise areas of Liberty and UES in its service territory.
