Dear Ms. Howland:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. (the "Company") and in accordance with New Hampshire Public Utilities Commission (the "Commission") Order No. 25,658 dated April 30, 2014, in Docket DG 14-076, enclosed for filing is the Company's current (October) calculation of its projected over or under collection of gas costs for the 2014 summer season ending October 31, 2014.

The calculation reflects the actual May through September 2014 NYMEX settled prices. For October 2014, the calculation reflects the NYMEX closing prices as of September 22, 2014. The current and revised cost of gas rates are summarized in the following table.
