Re: DM 14-122 Dennis K. Burke, Inc.  
Application to Renew Registration as Provider of Natural Gas Aggregation Service

Dear Mr. Burke:

On May 7, 2014, Dennis K. Burke (Burke) submitted an application with the Commission to renew its registration as a provider of natural gas aggregation service. Staff reviewed the application and determined that it is complete. Staff noted that the application was not filed within 60 days of the currently expiring registration as required by N.H. Admin Code Puc 3003.05(a). Despite Burke's late filing, Staff recommended that the Commission approve the application because this is the first time Burke has been late with its application to renew its registration for natural gas aggregation.

The Commission approves your application to renew your registration as a provider of natural gas aggregation service, effective June 8, 2014. The registration is for a term of 5 years and expires at the end of business on June 7, 2019. Pursuant to N.H. Code Admin. Rule Puc 3003.05(a), you must submit your next renewal application at least 60 days prior to the expiration of the registration approved here, on or before April 9, 2019.

Please be aware that registered providers of natural gas aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 3000 – Competitive Natural Gas Supplier and Aggregator Rules. These rules are available at:  
<http://www.puc.nh.gov/Regulatory/Rules/PUC3000.pdf>.

Sincerely,

A handwritten signature in blue ink, appearing to read "Debra A. Howland".

Debra A. Howland  
Executive Director
