**SUBJECT:** DT 14-145, Granite State Telephone Company: Intrastate Access  
Tariff Revisions

**TO:** Commissioners  
Debra Howland, Executive Director  
Kate Bailey, Director, Telecommunications

On May 30, 2014, Granite State Telephone Company (Granite State) submitted a filing to revise its intrastate access tariff for effect on July 1, 2014, pursuant to the Federal Communications Commission (FCC) Report and Order FCC 11-161 (Transformation Order). The revisions in this filing would set intrastate access rates equal to current interstate access rates.

Staff has reviewed this filing for compliance with FCC orders and rules. Our review has included comparisons of filings by different Incumbent Local Exchange Carriers (ILECs). The Granite State filing and the revised access rates therein appear to be consistent with FCC directives.

Staff therefore recommends allowing this tariff revision to take effect by operation of law on July 1, 2014.
