RE: Docket DG 16-XXX: Northern Utilities, Inc.'s Revised Tariff Pages 1, 106

Dear Ms. Howland,

In connection with the above-referenced Docket, I enclose an original and two copies of Northern Utilities, Inc.'s ("Northern") revised tariff pages 1 and 106, in both clean and redlined form. The revised tariff pages reflect two changes to Northern's service area: (1) the removal of Pelham, consistent with Northern's representations to the Commission regarding its franchise to operate in Pelham during a supplemental prehearing conference in Docket DG 15-362 on February 17, 2016; and (2) the addition of the Town of Brentwood, consistent with the Commission's Order No. 25,700 in Docket DG 14-154, dated August 1, 2014.

In accordance with Puc 1603.05(c), I also enclose an updated service area map reflecting the changes indicated above.

If you have any questions, please do not hesitate to contact me.

Regards,

A handwritten signature in blue ink, appearing to read "Patrick Taylor", with a long horizontal flourish extending to the right.
