CRC Communications LLC d/b/a OTT Communications
Intrastate Tariff No. 1**

Dear Ms. Howland:

Enclosed please find an original and two (2) copies of CRC Communications LLC d/b/a OTT Communications' ("OTT") Intrastate Access Tariff No. 1 ("Tariff"), which carries a proposed effective date of July 1, 2014. Pursuant to the Commission's Order in docket DRM 13-238, OTT hereby submits original pages 1 through 48 of its new Tariff.

This filing is made pursuant to the Federal Communications Commission's *USF/ICC Transformation Order* ("Order"), which established that individual intrastate rates for dedicated access local transport, terminating switched access, and associated services must be equal to or lower than their corresponding interstate rates. Accordingly, OTT has reduced its End Office Terminating rate from \$0.004082 to \$0.003020.

If you have any questions, I may be reached at (207) 688 -8270 or by email at ed.tisdale@ottcommunications.com.

Sincerely,

Ed Tisdale
