Re: DM 14-193, Customer Acquisition Specialists of America, Inc.
Application to Register as Provider of Natural Gas Aggregation Service
Deficiency Letter

Dear Ms. Witter:

On July 17, 2014, Customer Acquisition Specialists of America, Inc. submitted an application with the Commission to register as a provider of natural gas aggregation service. The application is incomplete and therefore does not comply with the requirements of N.H. Code Admin. Rule Puc 3003. Commission Staff has reviewed the filing and identified the following item which is missing from the application:

- 1) Certificate from the Secretary of State (SOS) showing that the applicant is authorized to do business in New Hampshire.

Puc 3006.02 Form for Initial and Renewal of Aggregators.

(5) A copy of the applicant's authorization to do business in New Hampshire from the secretary of state, if anything other than an individual.

Regarding item #1, the SOS certificate is a document that you may need to specifically request from the SOS, as it is not automatically provided to you after your registration with that office is approved.

In order to complete your application you should respond accordingly to the item listed above. When responding, please address your letter to Debra A. Howland, Executive Director, and reference the docket number listed on the subject line of this letter.

Pursuant to Puc 3003.05(f), please provide all information requested within 60 days of the date of this letter, on or before **September 21, 2014**. Puc 3003.05(f) is copied below:
