**RE: DM 14-284 - Request for waiver relating to N.H. Code of Admin Rule Puc 2003.03a (5),  
filed by US mail and email**

Dear Ms. Howland:

On October 8, 2014, we filed documents with your office pertaining to the renewal of our CEPS registration. On October 15, 2014, after consultation with PUC Staff, we filed an updated bond document amending the language of our existing financial security.

With this letter we hereby request a waiver of New Hampshire Code of Administrative Rules, PART Puc 2003.03(a)(5)(b). This rule specifies that security required by Puc 2003.01(d)(4) ***"Have an expiration date not less than 5 years and 90 days after the date the applicant's application is filed, for an application for renewal"***.

The bond document that we have filed with the PUC has a twelve month term with no cancellation right for the bond company during this term. This bond language was finalized after consultation with PUC Staff with the understanding that the bond would be adequate financial security to meet Town Square Energy's obligations as a registered competitive supplier.

If there is anything further that we can provide at this time, please don't hesitate to contact me directly at [rmiller@townsquareenergy.com](mailto:rmiller@townsquareenergy.com) or 1-877-430-0093 ext 701.

Sincerely,

President, Town Square Energy
