RE: Docket DM14-284, Renewal of CEPS Registration for Town Square Energy, LLC

Dear Director:

On September 16, 2015, we received correspondence from David Goyette of the NHPUC regarding the EDI certificate from Town Square Energy on file with the Commission and pertaining to the Unitil service territory. Mr. Goyette reminded us that the original certificate was issued to Twin Cities Power in 2013 and that Town Square Energy should now be listed as the recipient. With this filing, we simply wish to make available the updated EDI certificate that Unitil has provided and that correctly indicates Town Square Energy, LLC as recipient.

The updated certificate is attached and paper copies have been mailed to your attention.

If there is anything further that you require at this time, please don't hesitate to contact me directly at bbryce@townsquareenergy.com or 1-877-430-0093 ext 702.

Sincerely,

A handwritten signature in blue ink, appearing to read "Bill Bryce", with a long, sweeping underline.
