Re: DM 14-298, Agera Energy LLC
Competitive Electric Power Supplier's Request
to Replace \$100K Surety Bond with \$350K Surety Bond

Dear Mr. Nordlicht:

On November 9, 2015, you filed on behalf of Agera Energy LLC, a surety bond dated October 30, 2015 in the amount of \$350,000 (new bond), intended to replace the surety bond, dated May 14, 2015 and filed with the Commission on May 22, 2015 in the amount of \$100,000 (old bond), as well as a form for the release of the old bond, and a request that the Commission complete and sign the bond release form and mail the form and the old bond to the following address:

Agera Energy LLC
555 Pleasantville Rd S 107
Briarcliff Manor, NY 10510

Except for the higher amount, the new bond is substantially similar in its material terms as the old bond.

Staff has reviewed the new bond and, except for the higher amount, found the material terms and conditions of the new bond are no less favorable to the Commission and the interests to be protected under its rules than are those of the old bond previously filed by Agera in this docket, as confirmed in Staff's memorandum dated November 20, 2015. Staff recommended that the Commission accept the new bond as replacement financial security for the old bond and approve the request to complete the bond release form and to mail this form together with the old bond to the address listed above.

The Commission has reviewed Staff's memorandum and approved its recommendation. Accordingly, the new bond will be accepted as financial security in replacement of the old bond, and the bond release form will be completed, signed, and mailed together with the old bond to the address set forth above.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".
