Re: DM 14-343 MSI Utilities, Inc. d/b/a MSI Utilities – Your Energy Partner  
Application to Renew Registration as Provider of Electric Aggregation Service

Dear Mr. Warner:

On December 1, 2014, MSI Utilities – Your Energy Partner submitted an application with the Commission to renew the registration as a provider of electric aggregation service. Staff reviewed the application and determined that it is complete.

The Commission approves your application to renew your registration as a provider of electric aggregation service, effective as of February 12, 2015. The registration is for a term of 5 years and expires at the end of business on February 11, 2020. Pursuant to N.H. Code Admin. Rules Puc 2003.05(a), you must submit your next renewal application at least 60 days prior to the expiration of the registration approved here, on or before December 14, 2019.

Please be aware that registered providers of electric aggregation service are subject to specific requirements contained in N.H. Code Admin. Rules Puc 2000 – Competitive Electric Power Supplier and Aggregator Rules. These rules are available at: <http://www.puc.nh.gov/Regulatory/Rules/PUC2000.pdf>. Please also be aware that the Commission has opened Docket DRM 13-151 to consider revisions to these rules. All non-confidential filings in Docket DRM 13-151 can be found at <http://www.puc.nh.gov/Regulatory/Docketbk/2013/13-151.html>. The revised rules may contain different requirements for maintaining registration as a provider of electric aggregation service that might affect your registration.

Please note that, effective as of July 1, 2014, each registered electric load aggregator is subject to an annual assessment of \$2,000, unless it demonstrates that its gross revenue in New Hampshire during the preceding fiscal year (from July 1 through June 30) was less than \$10,000, pursuant to RSA 363-A:2, III and 5.

Sincerely,

A handwritten signature in dark ink, appearing to read "Debra A. Howland".
