**Re: Docket DE 15-062: New England Power Company d/b/a National Grid Verified
Petition for License to Cross the Connecticut River in the Town of Littleton
Order No. 25,838 - Order Nisi Amending Order No. 25,817 Granting License**

Dear Ms. Howland:

I am writing on behalf of New England Power Company d/b/a National Grid ("NEP") with regard to NEP's compliance with the Amended Order *Nisi*, dated November 3, 2015. Pursuant to the Order *Nisi*, please find enclosed a copy of the unsigned draft Aerial Utility Permit from the New Hampshire Department of Transportation ("NHDOT"). We will submit the final signed permit once the contractor has firmly scheduled the work to construct the I-93 aerial crossing and NHDOT has signed the permit. It is estimated that construction of the I-93 crossing will be done in late summer or the fall of 2016.

Sincerely,

Adam M. Dumville
