FREEDOM LOGISTICS, LLC, d/b/a FREEDOM ENERGY LOGISTICS

Petition for Authorization Pursuant to RSA 362-A:2-a, II for a
Purchase of LEEPA Output by the Private Sector

Order Denying Motion to Dismiss

ORDER NO. 25,801

July 29, 2015

In this order, we deny Eversource's motion to dismiss. Considering the allegations in the petition and drawing all reasonable inferences in FEL's favor, we find that the petition alleges sufficient facts to proceed with discovery.

I. PROCEDURAL HISTORY

Freedom Logistics, LLC, d/b/a Freedom Energy Logistics (FEL), rents an office building in Auburn. Fiske Hydro, Inc., operates a hydroelectric generation facility in Hinsdale. FEL filed a petition pursuant to RSA 362-A:2-a seeking Commission approval of a contract for FEL's retail purchase of electricity directly from Fiske Hydro. The statute authorizes Fiske Hydro, a "limited producer of electrical energy," to sell its energy "to not more than 3 purchasers other than the franchise electric utility," and requires the utility to "transmit electrical energy from the producer's facility to the purchaser's facility." RSA 362-A:2-a, I and II. FEL filed a copy of the contract, supporting testimony, and other exhibits. Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) filed a motion to dismiss the petition and to stay the procedural schedule while the Commission considered the motion. FEL timely objected.
