SUBJECT: DM 15-070, Mint Energy, LLC
Request to Serve Residential Customers

TO: Commissioners
Debra Howland, Executive Director

On December 10, 2015, Mint Energy LLC (Mint Energy) requested authorization to serve residential customers in New Hampshire and filed a proposed sample contract for residential customers, referred to as its "Energy Lock" contract.

Staff has reviewed the Energy Lock contract form, and does not find it to be inconsistent with the consumer protection requirements set forth for customer contracts under N.H. Code Admin. Rules Puc 2004. Staff, therefore, recommends that the Commission approve Mint Energy's request to serve residential customers.
