RE: CRS 15-119: Charter Notification of Existing Crossings

Dear Mr. Cohan:

On March 26, 2015, you filed a license request by notification for 21 crossings on behalf of Charter Communications Entertainment I, LLC ("Charter").

In reviewing the notification, it appears that each crossing is listed with only one pole. We expect such notifications to include pole numbers and GPS coordinates for the pole on each side of the crossing.

Once we receive an updated list of crossings with data for each pole, we will issue the license. Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Michael Ladam".

Michael Ladam
Assistant Director, Telecommunications
