RE: CRS 15-120: Metrocast Notification of Existing Crossings

Dear Ms. Geiger:

On April 8, 2015, you filed a license request by notification for approximately 43 crossings on behalf of Metrocast Cablevision of New Hampshire, LLC ("Metrocast").

In reviewing the notification, it appears that each crossing is listed with GPS coordinates for only one pole. We expect such notifications to include pole numbers and GPS coordinates for the pole on each side of the crossing.

Once we receive an updated list of crossings with data for each pole, we will issue the license. Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Ladam", with a long horizontal line extending to the right.
