Re: CRS 15-120 –MetroCast Notification of Existing Crossings

Dear Ms. Howland:

On behalf of MetroCast Cablevision of New Hampshire, LLC (“MetroCast”), enclosed for filing with the Commission in the above-captioned docket, please find an original and six (6) copies of a spreadsheet identifying the specific geographic and pole locations of each existing crossing for which MetroCast seeks licensure pursuant to RSA 371:17-b. The enclosed spreadsheet is intended to supplement MetroCast’s April 8, 2015 filing and is provided in response to two identical letters (one dated May 4, 2015 and another dated May 18, 2015) from Assistant Director of Telecommunications Michael Ladam.

Mr. Ladam’s letters indicate that, upon receipt of the enclosed list identifying the GPS coordinates for poles on both sides of the crossings, a license will be issued.

Please contact me if there are any questions about this filing. Thank you for your assistance.

Very truly yours,

Susan S. Geiger
