Public Utilities Commission of New Hampshire  
Debra Howland, Executive Director  
21 S. Fruit Street, Suite 10  
Concord, N.H. 03301-2429

Ms. Debra Howland:

On June 6, 2013 5LINX Enterprises, Inc. was granted a license to provide Electric Aggregation Service by the Public Utilities Commission of New Hampshire (License # DM 13-159). We would like to maintain our license.

At this time, 5LINX Enterprises, Inc. does not have any changes to the application since filing in May 2013.

We have reviewed PUC 2000 and are in compliance with the rules.

5LINX Enterprises, Inc. is a direct sales organization which will work with Energy Service Companies (ESCOs) or Retail Energy Providers (REP) to educate consumers on the freedom of choice provided through deregulation and provide a pathway to obtain a competitive supply offer from the ESCOs/REPs with whom we will be working.

5LINX Enterprises, Inc. has been in the energy business since March of 2011 and now serves electric customers in 14 states.

Attached is the original application, two hard copies and a CD with a PDF of the filing.

Also included is the required fee of \$125.00.

Please contact me if you have any questions.

Thank you,
