RE: DE 15-137 Energy Efficiency Resource Standard  
Proposed Revisions to the Procedural Schedule

Dear Ms. Howland:

The current procedural schedule requires the filing of complete Energy Efficiency Resource Standards (EERS) proposals on December 1, 2015. Secretarial Letter (November 13, 2015). Staff requests that the Commission change this deadline to December 8 and change the deadline for data requests on EERS proposals to December 18. *Id.* (existing deadline for data requests is December 16). The proposed schedule would be as follows:

Filing of EERS proposals	December 8, 2015
Data Requests on EERS proposals	December 18, 2015

All other dates in the schedule published on November 13 would remain the same.

Staff contacted the parties yesterday and sought their concurrence for changing the schedule as indicated above. As of filing, no party objected to those proposed changes.

Please contact me if you have any questions. Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Rorie E. Patterson".

Rorie E. Patterson  
Staff Attorney
