RE: DE 15-137 Energy Efficiency Resource Standard
Proposed Revisions to the Procedural Schedule

Dear Ms. Howland:

The current procedural schedule requires the filing of complete Energy Efficiency Resource Standards (EERS) proposals on December 8, 2015. Staff requests that the Commission change this deadline to December 9 because Staff needs time to finalize its filing.

Staff contacted the parties yesterday and sought their concurrence for changing the schedule as indicated above. As of filing, no party objected to the proposed change. The utilities reserved their right to seek additional revision to the procedural schedule depending on the filings.

Please contact me if you have any questions. Thank you for your assistance.

Sincerely,

A handwritten signature in cursive script that reads "Rorie E. Patterson".

Rorie E. Patterson
Staff Attorney
