Debra A. Howland, Executive Director  
NH Public Utilities Commission  
21 S. Fruit Street, Suite 10  
Concord, NH 03301

Re: Docket No. DE 15-137, Energy Efficiency Resource Standard  
Date for Filing Settlement Agreement

Dear Ms. Howland:

I am writing to request one additional day to file a Settlement Agreement in the above-referenced case. Parties are in settlement negotiations and would benefit from more time to finalize an agreement. As a result, I respectfully request that the Commission extend the date for filing of a Settlement Agreement until tomorrow, April 26, 2016.

OEP consulted with the other parties in the docket and the utilities and intervenors either support the request or do not object. Staff has indicated that they do not object. Thank you for your consideration.

Sincerely,

Meredith A. Hatfield, Director
