RE: Waiver of Rule 605.04

Dear Sir or Madam,

Rosebrook Water installed a six inch Badger meter in October, 2014. According to the PUC Rule 605.04, a meter of this size must be tested once per year. Badger Meters guarantees a new meter will meet or exceed AWWA Standard C702 for one year and six months after shipment (warranty enclosed). The meter was received by us in September 2014.

My request is that we wait until spring of 2016 to test this meter rather than the fall of 2015. All other large (two and three inch) meters are tested in the spring. This waiver will allow us to keep the schedule consistent.

Thank you.
