Re: DW 15-139 Rosebrook Water Company Inc.
Request for Waiver of Rule 605.04

Dear Ms. Oleson:

On May 8, 2015, Rosebrook Water Company, Inc. (Rosebrook) filed a request to waive N.H. Code Admin. Rule Puc 605.04 relative to a six-inch Badger meter installed by the company in October 2014. Puc 605.04 requires meters of this size to be tested once a year, which, if not waived, would require testing in the fall of 2015. The manufacturer of the meter warrants it for eighteen months from the date of shipment, which occurred in September 2014. To be consistent with the testing of its other large meters, Rosebrook seeks permission to wait until the spring of 2016 to test the 6-inch Badger meter. On May 22, 2015, Commission Staff recommended the Commission grant the waiver as requested.

Pursuant to Puc 201.05, the Commission may waive a rule if it finds a waiver serves the public interest and does not disrupt the orderly and efficient resolution of matters before the Commission. The Commission has determined that the standards for a waiver are satisfied here and that granting a waiver is consistent with the public good. Accordingly, Rosebrook's request to test the six-inch Badger meter in the spring of 2016 instead of in the fall of 2015 has been granted.

Sincerely,

A handwritten signature in black ink, appearing to read "Debra A. Howland".
