Re: Abenaki Water Company; DW 15-199

Dear Executive Director Howland:

At the technical session held yesterday in this proceeding, the Company indicated that it would provide a copy of the Staff's audit to all interested parties. I have enclosed a copy for filing with the Commission in lieu of its submission as a discovery response in order to make it available in the Commission's virtual file room. We believe that the document will help customers understand the thorough review that is completed by Staff as part of this proceeding.

In addition, the Company would like to request that Abenaki Board Chairman Donald Vaughan, P.E., and President Alex Crawshaw be added to the Commission's official service lists for filings and discovery in this proceeding as follows:

acrawshaw@newenglandservicecompany.com
dvaughan@newenglandservicecompany.com

Thank you for your assistance in this matter. If you have any questions, please contact me.

Very truly yours,

Justin C. Richardson
