RE: DW 15-199 NHPUC No. 1 – WATER, Belmont, NH, 2nd Revised Page 16

Dear Debbie:

Staff has reviewed the filing received on June 15, 2016 in the above-captioned proceeding.

Staff discovered that the description written under Character of Service was changed from the prior version. In the 2nd Revised version, the pounds per square inch for residential customers was stated as approximately 70 pounds per square inch whereas the previous version stated approximately 30 to 150 pounds per square inch. Per our conversation on June 20, 2016, you confirmed that the previous description was a more accurate representation of the system due to differing elevations.

Under Availability, Staff questioned the company name of Fairpoint Telephone Company. The PUC Consumer Services division confirmed that Fairpoint Communications is the correct name of said company. Please correct these two references.

Lastly, please review Puc 1603.06 (i) and submit canceling pages for 1st Revised Pages 17-19.

If you have any questions, please contact me at (603) 271-7092 or via e-mail at robvn.descoteau@puc.nh.gov.

Yours truly,
