Re: DT 15-207: Northern New England Telephone Operations LLC - Revision to NHPUC Tariff No. 3 (Switched Access Services)

Dear Ms. Howland:

On May 28, 2015 Northern New England Telephone Operations LLC d/b/a FairPoint Communications-NNE ("FairPoint") filed revisions to NHPUC Tariff No. 3 for effect July 1, 2015. That filing was submitted in compliance with Phase IV of the ICC reform requirements mandated by the Federal Communications Commission Report and Order in WC Docket No. 10-90, etc., FCC No. 11-161 (released November 18, 2011.) The Commission docketed that filing as DT 15-207.

FairPoint has discovered that its May 28 filing with the Commission inadvertently did not reflect a proposed reduction in the terminating rate for the Shared End Office Trunk Port.

Enclosed please find an original and two copies of a corrected NHPUC Tariff No. 3 tariff page. Also attached are copies of the F.C.C. No. 1 Tariff pages filed June 16, 2015 that include the same rate changes FairPoint has proposed to NHPUC Tariff No. 3. FairPoint will supplement its Tariff No. 3 filing with the Commission on or about June 24, 2015 when it files a corrected F.C.C Tariff No. 1 page with the FCC showing the same reduction proposed here in the terminating rate for the Shared End Office Trunk Port. An electronic copy of this filing also is enclosed.

FairPoint respectfully requests the Commission approve this tariff filing for effect July 1, 2015 consistent with the FCC's requirement.

Please return the copy of this filing marked "Receipt" with your stamp of receipt.

Any questions you may have regarding this filing should be directed to my attention at 603-656-8116 or via email at robert.meehan@fairpoint.com.

Thank you.

Best regards,

A handwritten signature in cursive script that reads "Robert D. Meehan".
