Dear Ms. Howland:

On May 28, 2015 Northland Telephone Company of Maine, Inc. d/b/a FairPoint Communications ("FairPoint") filed a revision to NHPUC Tariff No. 3 together with supporting work papers for which FairPoint sought confidential treatment. On June 3, 2015 the Commission advised the confidential filing made on May 28 was not complete under Puc 202.05, 203.02 and 203.08, rejected the filing and directed FairPoint to resubmit a complete confidential filing. By this letter FairPoint wishes to withdraw the work papers included in its May 28 filing and to submit a complete confidential filing together with a motion seeking confidential treatment of certain information in the un-redacted work paper.

Enclosed please find a redacted (public) version of the work paper and seven copies of the un-redacted (confidential) version of the work paper together with an original plus six copies of a motion seeking confidential treatment of certain information contained in the work paper.

As indicated in the accompanying motion, the work paper submitted herewith includes information that has been marked "CONFIDENTIAL" and is being submitted pursuant to RSA 91-A:5. FairPoint Communications represents that the materials marked "CONFIDENTIAL" pertain to the provision of competitive services; set forth trade secrets or other proprietary and confidential information falling within the scope of RSA 91-A:5; and are not general public knowledge or published elsewhere.

Please return the copy of this filing marked "Receipt" with your stamp of receipt.

Any questions you may have regarding this filing may be directed to my attention at 603-656-8116 or via email at robert.meehan@fairpoint.com.

Thank you.
