Re: Lakes Region Water Company; DW 15-209

Dear Executive Director Howland:

Lakes Region Water Company, Inc., concurs with the report of the Hearings Examiner in this proceeding and assents to the intervention requests as noted therein.

However, Lakes Region recommends that the Commission require that the 19 Thornton Road residents (Waterville Gateway) who have sought intervention designate a representative pursuant to RSA 541-A:32, III (c) in order "to combine their presentations of evidence and argument, cross-examination, and other participation in the proceedings." Lakes Region made this suggestion during the technical conference and understood that the Thornton Road customers were agreeable to proceeding in that manner.

If you have any questions, please feel free to contact me.

Very truly yours,

Justin C. Richardson
