Replacement Testimony - Jayson Laflamme

Dear Debra:

Enclosed are an original and six (6) copies of the replacement testimony and attachments of Staff Utility Analyst, Jayson P. Laflamme. Mr. Laflamme's previously filed testimony in this case contained page numbering errors as well as schedule identification errors. The enclosed testimony contains non-substantive changes and corrects those errors and thus replaces his previously filed testimony in this case.

Please note that the testimony of Mark A. Naylor, Director of the Gas and Water Division which was filed in conjunction with Mr. Laflamme's testimony remains unchanged as originally filed. Please remove the previously filed testimony and attachments of Jayson P. Laflamme and replace it with the enclosed.

If you have any questions, please do not hesitate to contact me.

Sincerely,

/s/John S. Clifford
