RE: CRS 15-243: Northern New England Telephone Operations LLC Notification of Existing Crossings

Dear Bob:

Pursuant to New Hampshire RSA 371:17-b, Northern New England Telephone Operations LLC (FairPoint) has been issued the attached license CR 01-001-17 to cross state lands and/or public waters at 81 locations.

Following earlier submittals, FairPoint reviewed its filing for duplications and completeness, eliminating some crossings that are not covered by RSA 371:17-b.

Staff has reviewed that list and confirmed that the crossing descriptions include the required information, and are located in New Hampshire.

Thank you,
