Re: DE 15-271, Electric Distribution Utilities
Examination of Electric Distribution Utility Interconnection and Queue Management
Processes for Net-Metered Customer-Generators
Request for Additional Technical Sessions

Dear Ms. Howland:

I write to report that Staff, the parties, and other interested stakeholders met in a technical session following the July 30, 2015, prehearing conference in the above matter. Significant progress was made toward an agreement for managing the net metering queue. All agreed that further technical sessions would be helpful to refine and possibly finalize an agreement. Although we were not able to find dates acceptable to all, Staff asks the Commission to schedule further technical sessions on Thursday, August 6, 2015, at 1:00 p.m., and on Wednesday, August 12, 2015, at 1:30 p.m.

Thank you.

Sincerely,

A handwritten signature in cursive script, appearing to read "M. Sheehan".
