**Re: DM 15-287, Reliant Energy Northeast LLC
Competitive Electric Power Supplier Application**

Dear Ms. Howland:

Please accept the following amendment to Reliant Energy Northeast LLC's ("Reliant") initial Competitive Electric Power Supplier Application.

Reliant amends its Application to limit the company's operation to the Eversource Energy ("Eversource") service territory of New Hampshire. Reliant does not intend to operate in the Liberty Utilities and Unitil Energy Systems territories at this time.

Reliant is in the process of EDI testing with Eversource. Upon completion we will provide the Commission proof of EDI testing pursuant to the requirements of Puc 2003. 01(d)(1).

Should you have any questions or require additional information, please contact me at 609.280.7701 or via email at john.holtz@nrg.com.
