

Chris Rengstorf  
IGS Solar LLC

Regarding:

- REC 15-341 IGS Solar-Proctor Academy Systems – Request to withdraw application as an REC aggregator
- REC 15-342, 15-343, and 15-344, changes to the applications

New Hampshire Public Utilities Commission  
Sustainable Energy Division  
21 South Fruit Street, Suite 10  
Concord, NH 03301-2429

To Whom it May Concern:

IGS Solar has determined that being an aggregator of RECs is not necessary for reporting the RECs generated from the Proctor Academy solar systems. IGS Solar would like the PUC to use the current applications noting that none of the facilities will be part of an aggregation.

Thank you,

Chris Rengstorf
