RE: Revised Direct Energy Business, LLC – Q2 2017 Quarterly Report Certificate No. DM 15-373

Dear Ms. Howland,

Enclosed please find the revised Direct Energy Business, LLC's ("DEB") confidential quarterly customer and sales data report for the 2nd Quarter of 2017.

The revised "Number of Customers" are showing a decrease due to the previously Q2 filing that showed the total number of premise locations (meters). This has been updated to reflect the number of customers within each service territory. There are also changes to "Sales KWhs" and "Sales Revenue" due to various adjustments including, but not limited to, cancels/re-billing of customers, which have been made since the previous filing.

Should you have any questions, please feel free to contact me.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'J. Jones', written over a horizontal line.
