RE: Docket No. DE 15-416
Public Service Company of New Hampshire d/b/a Eversource Energy
Petition for Adjustment to Stranded Cost Recovery Charge

Eversource Exhibit 5 Submission

Dear Director Howland:

During the hearing on December 16, 2015 in the above-captioned docket, the Commission reserved Exhibit 5 for an additional submission by Public Service Company of New Hampshire d/b/a Eversource Energy ("Eversource"). Specifically, the Commission requested an exhibit showing a breakdown of the rate components making up the bill for a typical residential customer using 625 kWh per month. Enclosed with this letter for entry in the record as Exhibit 5, please find a document showing a comparison of residential rates and a calculation of the rate components for a typical residential customer's bill under current rates and under the rates proposed for effect on and after January 1, 2016.

If you have any questions, please do not hesitate to contact me. Thank you for your assistance with this matter.

Very truly yours,

Matthew J. Fossum
