RE: DM 15-468, GDF Suez Energy Resources NA, Inc. -- Response to Deficiency Letter -- Request for Additional Information dated 10/30/2015
Chapter Puc 2000, Competitive Electric Power Supplier Rules, Part Puc 2003.01
Initial Registration of GDF Suez Energy Resources NA, Inc. to be licensed as a Competitive Electric Power Supplier in the State of New Hampshire

Good afternoon,

GDF Suez Energy Resources NA, Inc. ("Suez") submitted an application to the Commission for registration as a competitive electric power supplier (CEPS) on October 30, 2015. Suez received a letter dated October 30, 2015 that stated Suez's application was not acceptable because the bond could be cancelled with 30 days' prior notice. Suez has contacted the surety. Suez's surety has agreed to revise the language, but it requires that Suez return the original bond in order to reissue a bond with the revised language. Please return the original bond to my attention at 1990 Post Oak Blvd, Suite 1900, Houston, TX 77056.

Please do not hesitate to contact me via email at randy.johnson@gdfsuezna.com with any questions and/or to request additional information. Thank you in advance for your assistance.

Regards,

Randy Johnson
