Re: Docket No. 15-490 - ENGIE Retail, LLC d/b/a Think Energy (hereinafter "Think Energy") – Bond Replacement, Cancellation and Update

Pursuant to the N.H. Code Admin. R. Ann. PUC 2003.03 (2016), competitive electric power suppliers ("CEPS") are required to post financial security in the form of a surety bond.

Further, to Think Energy's letter dated November 8, 2017 enclosing Permit Bond No. K13509839 in the amount of \$100,000 (the "K13509839 Bond") and per Staff's request, Think Energy further submits for filing with the New Hampshire Public Service Utilities Commission ("NH PUC") an original, and two (2) copies of Rider to Bond No. K13509839 dated effective November 19, 2017 in the amount of \$100,000 posted in favor of NH PUC by Think Energy.

The K13509839 Bond & Rider replaces & supersedes Bond & Rider No. 022052281 currently on file with the NH PUC.

Think Energy requests the return of Bond & Rider #022052281 dated November 19, 2015. Enclosed is a Release from Aon Risk Services and instructions for the return of said Bond and Rider No. 022052281.
