**Re: DE 15-491: PNE Energy Supply, LLC, et al. v. PSNH d/b/a Eversource Energy –  
Transfer Question from Superior Court**

Dear Ms. Howland:

On review of the Brief filed by PSNH with the Commission on Friday April 29, 2016, I discovered an error in the document.

The first sentence of the second paragraph on page 4 of the Brief reads as follows: “Now, in this matter, PSNH acted improperly by failing to perform thousands of off-cycle meter readings that Plaintiffs represented to the Commission they did not need and would not seek.” The sentence should have read: “Now, in this matter, **Plaintiffs will contend that** PSNH acted improperly by failing to perform thousands of off-cycle meter readings that Plaintiffs represented to the Commission they did not need and would not seek.”

Quite obviously, PSNH does not concede that it acted improperly. I am including with this letter an original and six copies of the amended page 4 of the Brief to correct this error. Copies of this Errata have been served on all counsel on the service list.

I apologize for the error. Thank you for your assistance, and please feel free to call if you have any questions.

Sincerely,

Wilbur A. Glahn, III
