RE: NORDIC ENERGY SERVICES, LLC, Initial CEPS Registration Application

Dear Ms. Howland:

Enclosed is the original and two copies of Nordic's Application for Registration as a CEPS in New Hampshire (both Confidential and Redacted versions). In addition, an electronic copy in pdf format is being sent to executive.director@puc.nh.gov. Nordic has not and will not conduct any marketing in New Hampshire prior to its approval as a CEPS by the PUC. Documents depicting Nordic's technical Ability to provide for the reliable and efficient transfer of data and electronic information between Nordic and the utilities, in addition to Nordic's ability to obtain supply in the New England energy market are attached as Exhibits to the Application.

Also enclosed is the required \$500 registration fee, and evidence of Nordic's surety bond as required by the rules is attached to the Application.

Nordic Energy Services, LLC is an independently owned, Chicago-based, Alternative Retail Electric Supplier (ARES) and Alternative Gas Supplier (AGS). Nordic supplies energy and gas, and provides related services to commercial and residential customers behind 18 utilities in Illinois, Indiana, Maryland, Michigan, New Jersey, Ohio and Pennsylvania. Nordic's key personnel have over 96 years combined experience in the energy industry. Nordic strikes to provide its customers with the most current market intelligence and knowledge, and quick and effective customer support. Please feel free to visit Nordic's website at www.nordicenergy-us.com.

Finally, enclosed is a Motion seeking confidential treatment of certain sensitive information included in the Application and Exhibits thereto. We request that the confidential Application be treated as such and maintained in a restricted filing. If you require further information, please feel free to contact me.

Very truly yours,

/s/ Andrew Landry
