Re: IR 15-510, Investigation into Resale of Electricity by Electric Vehicle Charging Stations  
Extension of Time

To the Parties:

On December 18, 2015, Commission Staff was directed to investigate regulatory issues regarding the resale of electricity by electric vehicle charging stations and file a report of its conclusions and recommendations with the Commission no later than February 26, 2016. On February 25, 2016, Staff submitted a request to extend the reporting date to March 18, 2016 due to scheduling constraints and the press of other business.

The Commission has granted Staff's extension of time. The report is due on or before Friday, March 18, 2016.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
