Dear Executive Director Howland,

I am writing to inform you that I agree with the letter of the consumer advocate (OCA) and I urge you and the PUC to reject Eversource's request to keep Northern Pass and the Access Northeast Pipeline dockets open.

Eversource should not be allowed to fast-track the PUC process. As a resident of the state of New Hampshire, this is very disturbing to me and my family. Please make the right decision.

Sincerely,
Ryan Cadigan
