Debra A. Howland
Executive Director
New Hampshire Public Utilities Commission
21 South Fruit Street, Suite 10
Concord, NH 03301-2429

Re: Class II REC Eligibility Application

Dear Mrs. Howland,

New Energy Equity has purchased a renewable energy generation facility in New Hampshire and we would like to apply for Class II REC Eligibility. I have enclosed the required application form along with two copies for your records. I have also enclosed a copy of our Interconnection Agreement and permission to operate from Liberty Utilities.

If you have any questions or require additional information please feel free to contact me directly at (443) 569-8260 or lgillis@newenergyequity.com. We greatly appreciate your consideration of our request for Class II REC Eligibility and we look forward to hearing from you soon.

Sincerely,

A handwritten signature in black ink, appearing to read "Lindsey Gillis", written in a cursive style.

Lindsey Gillis
Director of Operations
New Energy Equity, LLC

Good afternoon,

You are authorized to interconnect the 100 kW PV system at KUA, 0 Main St, Meriden, NH with the Liberty Utilities distribution system. A net meter has been installed at the facility in order to accurately register your energy use/production.

If the system changes ownership, please contact us immediately so we can keep our records up to date.

Group e-mail: NHElectricSrvReq@libertyutilities.com

Please check Liberty Utilities' website for latest information:
http://www.libertyutilities.com/east/electricity/net_metering/

Billing Issues:
Phone ~ 1-800- 375-7413

Thanks,

Jill
