**RE: Docket No. DE 16-249 Request for Approval of Energy Supply Solicitation and Resulting Rates  
Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities Compliance Tariff  
Filing - NHPUC No. 19**

Dear Ms. Howland:

On January 18, 2017, Liberty Utilities filed Tariff Page 68 in compliance with Commission Order No. 25,971 dated December 19, 2016 in Docket No. DE 16-249. That tariff page implemented changes to the Energy Service Rates for customers taking energy service from Granite State effective February 1, 2017. Upon subsequent review, we discovered that the rate specified for the System Benefits Charge for Rate G-1 customers appearing on Page 68 was incorrect. The System Benefits Charge changed on January 1, 2017, but the previously-effective rate still appeared on Page 68 for Rate G-1 customers. This inadvertent error did not impact customers' bills, as the correct System Benefits Charge was billed to Rate G-1 customers.

In order to correct the tariff page, Liberty Utilities is refileing redlined and clean versions of Page 68. Accordingly, the following revised tariff page is transmitted herewith:

NHPUC No. 19 – Electricity Delivery  
Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty Utilities

Eleventh Revised Page 68
