Renewal of Registration to Provide Natural Gas Aggregation Service  
**TO:** Commission

NHPUC 25APR'16 PM 12:06

On March 24, 2016, Trusted Energy LLC (Trusted Energy) filed an application to renew its registration as a provider of natural gas aggregation service. Trusted Energy also requested a waiver of Puc 3003.05(a) which requires a renewal application to be filed 60 days before the registration expiry date March 17, 2016. Trusted Energy's renewal application was due on or before January 18, 2016. Trusted Energy explained that the delay was due to a clerical mistake and already took remedial action.

Staff has reviewed the application and has determined that the filing is complete. As this is the first time Trusted Energy was late to file its renewal application, Staff recommends the Commission grant Trusted Energy's waiver request this time only and approves its renewal application to provide natural gas aggregation service, effective from March 18, 2016, for a term of 5 years.
