Subject: PLEASE SAY NO TO THE NORTHERN PASS

Dear Ms. Bailey,

I am a homeowner in Ashland, NH. Eversource and Hydro-Quebec's have recently submitted an application for a PPA. If New Hampshire's PUC were to grant them a PPA for the Northern Pass, it would be the end of our beautiful state. Eversource and Hydro-Quebec would gain by the deal while New Hampshire would lose its natural heritage and gain nothing but hideous gargantuan towers that would become obsolete within a decade or so. It is nothing more than corporate greed. Destroying our state will result in huge losses in tourism and a huge slap in the face to Mother Nature.

PLEASE SAY NO TO THE NORTHERN PASS.

Sincerely,
Marion Franklin

Kind regards,
Marion Franklin, Ashland, NH homeowner
