Re: Transfer natural gas license DM 16-440 and electricity license DM-16-734 to parent entity

Dear Public Utilities Commission,

Hospital Energy Services, LLC (HES) is Connecticut entity and a wholly owned subsidiary of Hospital Energy, LLC (HE), a New Hampshire entity. HES desires to transfer its current natural gas broker license DM 16-440 and electricity broker license DM-16-734 to its parent company. The two entities share identical ownership, staffing, services, FEIN, etc. Therefore, a transfer would not result in any change in services to New Hampshire clients or performance of our regulatory responsibilities pursuant to the PUC licenses.

Please accept this letter as our notice and request to transfer the license.

A copy of Hospital Energy, LLC's certificate of good standing to operate in the State of New Hampshire is attached for your reference.

Should you require any additional information, I can be reached most easily by email at [mark@hospitalenergy.com](mailto:mark@hospitalenergy.com) or by telephone at (203) 668-3522. Many thanks!

Sincere regards,

Mark Mininberg
