Re: **Front Line Power Solutions, LLC – Waiver Request**

To Whom It May Concern:

Per PUC 201.05(a)(c), I am writing to request a waiver of PUC 3003.02(a), requiring that “each registered CNGS shall re-register with the commission every 5 years by filing with the commission an application for renewal...no less than 60 days prior to the expiration of the currently effective registration.” Front Line Power Solutions was unaware of the 60 day requirement outlined in PUC 3003.02(a) and, immediately upon becoming aware, we prepared and filed a renewal application. We will make a note of this requirement for future renewal filings to ensure that we submit prior to 60 days in advance going forward.

If there is any issue, or if you require additional information, please do not hesitate to contact us.

Sincerely,

John Holmes,
