SUBJECT: DM 16-779, Unified Energy Services, LLC 
Renewal of Registration to Provide Natural Gas Aggregation Service

TO: Commission
Debra Howland, Executive Director

On July 27, 2016, Unified Energy Services, LLC (Unified) filed an application to renew its registration as a provider of natural gas aggregation service. On August 19, 2016, Unified requested a waiver of Puc 3003.05(a) which requires a renewal application to be filed 60 days before the registration expiry date on August 27, 2016. Unified's renewal application was due on or before June 29, 2016. Unified explained that the delay was due to an administrative mistake and it already took remedial action.

Staff has reviewed the application and has determined that the filing is complete. As this is the first time Unified was late to file its renewal application, Staff recommends the Commission grant Unified's waiver request this time only and approves its renewal application to provide natural gas aggregation service, effective from August 28, 2016, for a term of 5 years.
